

# General Grant Request Reporting Form

When the Delta Dental Foundation awards a grant, we enter into a partnership with you that we hope will help us to learn more about effective ways to improve oral health. This report is the primary tool we use in measuring the achievements of the programs/projects we support and the impact that our philanthropic dollars have in the communities we serve.

Please complete and return this form to ddf@deltadentalmi.com within one year of receiving funds or prior to receiving additional funds, whichever comes first.

Thank you in advance for taking the time to provide us with a thorough and thoughtful report.
